

SGS' VP of Capture, Bid & Proposal to Speak on Panel Regarding "Best Practices for Business Development & Capture"

Siemens Government Services, Inc. (SGS) is pleased to announce that Emma Jackson, the company's Vice President of Capture, Bid & Proposal has been asked to join a panel discussion focused on learning "Best Practices for Government Contracting Business Development and Capture."

A panel of industry experts from CTC, CGI Federal, Serco and SGS, will share their insights on what it takes to be successful with winning more government contracts. In addition to local industry panelists, the Senior Vice President of Research & Analysis Services for INPUT will also speak to the state of government contracting business development.

The event will be conducted March 29, 2011 at the Ritz-Carlton, Tyson's Corner from 3:30 - 6:30pm. For more information or to register for the event, please visit <http://govwin.com/print-view/node/107834>.
